

Washington State Department of
Early Learning

2009 Child Care Licensing Orientation Schedule

Southwest DEL Service Area

The first step to get licensed as a child care provider in Washington is attending a Department of Early Learning (DEL) licensing orientation session. At orientation, you will get information about:

- How to get licensed
- What to think about before getting licensed
- Resources available to help you through the licensing process

You can expect this session to last at least six hours. A DEL licensor will share information and will be available for you to ask questions. Please be sure to call ahead of time to reserve a spot at an orientation session.
